## October Newsletter "Staff Edition"

## The Many Faces of ACE!

### Letter from ACE TEAM

This year's annual ACE barbeque was a success, despite unseasonably cold weather and high winds. Everyone from both buildings was able to come together to enjoy a barbeque lunch catered by Bears Barbeque Smokehouse.

Our very own, Finn Marchesseault provided everyone with wonderful entertainment by playing the acoustic guitar. There was a raffle with a variety of prizes, and everyone was able to go home with something! Despite the weather, people did play corn hole, and some even stayed until 3:30pm to play volleyball!

There was a lot of smiles, and a strong sense of family and camaraderie amongst everyone. This was truly great to see. Able Coil is a family business, and everyone that works here is a part of that family. We thank you from the bottom of our hearts for your contributions every day.

**Regan Clancy - Shipping**

Regan Clancy was born in Manchester. He worked as a Chef Manager at Otis Elevator, while pursuing a degree in Pastoral Theology. He started at Able in 2006 in shipping and has been there ever since.

He enjoys working at ACE because he likes the people and enjoys interacting with customers when making a delivery and enjoys helping the production workers on the floor. He also likes that the company promotes from within, has great benefits and provides delicious lunches once a month!

In his free time, Regan enjoys spending time with his 6 grandchildren, wife, Diane, making jewelry and preaching as a Deacon at his church.

Regan's supervisor, Tammy said, "Regan is fun to work with, is always willing to help and always has a story to tell!"
