December Newsletter “Happy Holidays”

Issue #19

Message from ACE Management

As another year comes to an end, it’s time to look back and reflect on the past 12 months. Thank you for all your hard work, loyalty, and invaluable contributions to this company. They have been integral to our progress and success.

The year has been a challenging one for us, but we never gave up. We made progress in our business goals, which were constantly and rapidly evolving against the backdrop of a very competitive manufacturing environment.

Thank you very much for working together to meet, and even exceed our goals. Lastly, we wish you all a very happy new year, filled with success, happiness, and good health.

*“Coming together is a beginning ...
Keeping together is progress ...
Working together is a success.”*

– Henry Ford

AS 9100
Certification:

To maintain AS9100 certification, the certifying agency, Intertek, will be performing an onsite surveillance audit December 19th – 21st. The purpose of the audit is to validate that our processes and procedures are compliant with the AS9100 standards.

Auditors may ask employees questions. It is important to know that it is **not a test**, auditors are not looking for an exact answer, rather they want to know how employees go about finding information and answers.

(Please wear your ACE apparel on the dates of the audit if you are able.)

Quick and Easy Peppermint Fudge

Ingredients:

- Cooking spray, for spraying foil
- 3 cups semisweet chocolate chips
- 1 can sweetened condensed milk
- Red peppermint candies, crushed

Directions:

- Line an 8-by-8-inch square baking pan with aluminum foil. Spray the foil with cooking spray.
- In a medium saucepan over low heat, combine the chocolate chips and sweetened condensed milk and stir until melted and smooth. Pour into the prepared baking pan and spread to even out the surface. Sprinkle on the crushed candies. Refrigerate for 2 hours.
- Lift the foil out of the pan and peel off the fudge. Cut into small squares
