In June we had Fried Chicken Friday. July we will have a Pizza Lunch and then Deli Sandwiches in August. We are planning on having our Annual BBQ on Friday, September 12th. We will have Bears Smokehouse Cater again. Everyone loves their Baby Back Ribs and Brisket!

Gabby Update!

On Thursday, May 29th, Kimberly's niece, Gabby, graduated from 8th grade. She was able to stand on her own and receive her diploma with her class. It was a joyous and emotional experience for Gabby and her family. Gabby is expected to start 9th grade in the Fall at Archbishop Spalding Catholic High School in Maryland.

Gabby still has a long road to recovery ahead of her. She is still in a wheelchair but starting rehabilitation to walk again. She can walk with a walker for a few steps at a time. She is becoming more independent every day, and her personality is starting to shine! Intellectually, she is doing great, and we are so grateful that her injury did not affect her capacity to retain information and recall memories.

Gabby's biggest goal right now is to retrain her brain to talk to her body so she can get back to the things she loves, like dancing and playing the flute. It will take time, but we know she will get there.

As always, thank you to everyone for your thoughts and prayers for Gabby. It means so much to the family. Keep praying for Gabby and her family for continued miracles. **GABBY STRONG!**
